

T.E.R.O Department

Mendenilla Construction is seeking one experienced **Concrete Finisher**,
Job description attached..

- Setting forms that hold the concrete in place.
- Cleaning and inspecting surfaces for pouring issues.
- Directing the casting of the concrete with the truck driver.
- Pouring, smoothing, and leveling concrete using a rake, trowel, float, and screed. This includes handheld tools and power tool versions.
- Monitoring the effects of the weather on the curing process.
- Applying sealing and hardening components.
- Safely operating power vibrator to ensure the concrete is compacted.
- Molding and constructing expansion joints using joiners and edging tools.

Also seeking one experienced **Carpenter**,

Applicant must help with structure building along with understanding blue prints, and building forms for concrete work for bridge maintenance, culvert pipes and culvert extensions.

If interested you may contact the T.E.R.O Compliance Officer to gain a referral application.
